

Pressure Sensitive Sheeted Products

4 Mil Soft White Vinyl

Our 4 Mil Soft White Vinyl is a top-coated flexible white vinyl with outstanding durability and a smooth, sleek finish. The topcoat on our vinyl allows for optimal ink anchorage. Your customers will be amazed by both the appearance and strength of our vinyl which is the ideal choice for their outdoor applications.

Features

- Highly resistant to moisture and chemical exposure
- Optimal ink anchorage
- Ideal for offset printing
- Highly flexible
- Perfect for outdoor applications or those applications requiring supreme durability
- Scoring capability
