

CUSTOMER PORTAL

Access all of your data. Anywhere. Anytime.

In today's world of remote working and flexible schedules, Technicote's Customer Portal allows you to stay on top of your business. You can review all account activity when and where you need it — 24/7 and on any device. Our portal also provides the ability to create multiple users, view sales by location and filter data.

WITH A TECHNICOTE CUSTOMER PORTAL ACCOUNT YOU CAN:

- Check the status of all orders
- Review sales and volume data
- Give unique account access to multiple users
- See shipping information including carrier and Pro #
- Reference open Accounts Payable
