

# Apparel Size Sticker Portfolio

Technicote's line of Size Sticker materials are the trusted choice for high-quality, safe and enduring garment application

# APPAREL SIZE STICKER PORTFOLIO

Technicote® is a leading supplier of a variety of pressure sensitive labels to the textile and garment industry. In contrast to competitive products, Technicote labels do not leave adhesive residue, distort fabric, or discolor material. To assure the quality of our products, we have tested and certified several items for soft cloth applications with an independent lab on multiple fabrics.

## PRODUCT FOCUS

### Frosty Clear Polyolefin

Technicote's Frosty Clear Polyolefin (Item 9117) makes a great choice for your garment application:

- Desired frosty, clear high-end fashion look
- Facestock is engineered to work across a variety of thermal transfer ribbons
- Good initial tack, ultimate adhesion and ability to remove cleanly certified by Intertek
