

CANNABIS PORTFOLIO

Solutions for a growing industry

Introducing The Technicote Cannabis Portfolio

Cannabis is one of the fastest growing industries in the country—in both the medical and recreational markets. This robust growth demands a focus on the label materials for a wide range of applications and, in many cases, strict laws guiding specific packaging requirements. Technicote brings our technical team and their decades of experience to provide solutions to this burgeoning industry.

Cannabis material highlights

Technicote has a wide variety of materials that are ideal for the cannabis industry where a label must provide the consumer with absolute confidence in the product. Technicote's large portfolio and decades of experience will deliver the right solutions with proven materials, including:

- Wet Strength Semi-gloss, Metalized Papers and Foils, White Matte, High Gloss Clear BOPP, TC DT, Polypropylene, Litho, Brown Paper
- All Temp Adhesive, General adhesive, Permanent adhesive

Cannabis applications

Label materials in the cannabis industry have myriad applications and requirements. Whether they are needed for easy-to-read medical applications or to grab attention for an emerging brand, trust Technicote's portfolio and experience. A sample of cannabis applications include:

- Medical packaging
- Product labels
- Promotional labels
- Educational labels

CANNABIS PRODUCT BENEFITS

VARIETY OF SUBSTRATES

Technicote's portfolio has numerous stock material options to provide the durability and shelf appeal.

QUALITY AND COMPLIANCE

Our materials will fulfill requirements and adhere to the strict laws that apply to packaging in this industry.

SMALL MINIMUM ORDERS

Reduce waste and costs — a 2,500' minimum of custom-coat roll label products through our Tech 25 program.

TECHNICAL EXPERTISE

Our knowledgeable team has been creating products for decades. We'll ensure you get the right solution.

Cannabis Product Range

ITEM	DESCRIPTION	SERVICE PROGRAM	PRINT METHOD	APPLICATION(S)
75772	2 mil Crystal Clear TS523 40#SCK	Stocked	Flexo, UV Inkjet	Tight Mandrel
