

Eclipse Blockout Labels

Technicote's line of customized Eclipse label products delivers exceptional solutions for your clients' blockout needs

When grammatical errors, outdated information and printing mistakes happen, customers need a solution that can save them time and money while correcting the issue. Technicote has you covered with our Eclipse Blockout Label products—including specific facestocks and an opaque adhesive—which allow our customers to create a blockout label with a variety of materials.

APPLICATIONS

The many uses for our Eclipse Blockout series include:

- Logistics
- Industrial labeling
- Pharmaceutical labels
- Retail Promotions
- Personal care products
- Out-of-date information
- Misprints
- Graphic changes
- Rack labels

VARIETY

A wide variety of solutions can be created either by utilizing our AP151 Opaque Adhesive or one of our blockout face stocks below:

Paper Face Stocks

- Matte Litho Gray Opaque
- Semigloss Gray Opaque
- Bright Silver Metallized Paper

Film Face Stocks

- 2.3 mil Metallized BOPP
- 2 mil Bright Silver PET
- 2 mil Matte Silver PET

FEATURED ITEM

AP151 Opaque Adhesive

Rather than relying on a facestock to create the block out effect necessary, Technicote has created a more flexible solution — our AP151 Opaque Adhesive. This permanent adhesive is engineered to be used with a wide variety of facestocks so our customers can create just the right label for their needs.
